

# CALL FOR PAPERS

## Sulfur & Amine Seminar

Moody Gardens Hotel • Galveston, TX May 2-6, 2011

*Why give a paper?* Be one of the movers and shakers.  
Give back to your industry.  
Gain recognition for yourself and your company,  
and if you are a vendor then for your product or service too.

*What have you done in the last year or two that could benefit our industry?*

Share a near miss so that others might avoid the same risk.  
Tell the Sulfur Community how you are achieving  
More Production with Less Risk.

*"I've seen and heard about a lot of interesting projects going on recently. I invite you to come to seminar and tell everyone else about what you've been up to.*

*Suppliers, how about including an operating company in your formal 30 minute presentation.*

*End-users, think about giving an informal 10 minute update about a project."* -John O'Connell (SRE)
